

Senior Designer	Practice: IDC
C Level 2.2	Report to Studio Manager
	As September 8, 2021

As our new Senior Interior Designer , you will be part of our international design studio designing luxury urban and resort hotel projects around the globe. Working closely with the Design Director and other team members, you will work on space planning, design conceptualization and develop the project design. In addition, you will manage coordination with other consultants and participate in project meetings and presentations as needed.

The executive shall perform tasks that may include but not limited to:

- Provide pre-design services which may include conducting feasibility studies or specifying the requirements the design must meet.
- Manage the development of design successfully from one phase to the next, without compromise to quality, budget, or schedule.
- Participate in project meetings and Client presentations as needed.
- Provide quality control and review design documentation and schedule project team deliverables.
- Attend Client work-sessions and design reviews as required.
- Travel internationally for assigned project presentations, coordination meetings and site visits as required.
